**The family of Sargent Andrew Harnett  
Calgary Police Service**

On behalf of the Muslim Community of Calgary and Southern Alberta.

The Muslim Council of Calgary (MCC) would like to offer our heartfelt condolences to the family of Sargent Andrew Harnett and members of the Calgary Police Service (CPS).

Sargent Harnett's death was a senseless and cowardice act, and we condemn it no matter whom the perpetrators are. Our hearts and prayers are with his immediate family and his CPS family. May God grant you ease and patience in this hard time.

Sargent Harnett was a courageous public servant. His commitment to the law enforcement exemplified that, right up to his last moments in life and is a testament of his bravery and dedication to his community and he will be remembered for that.

To the family of Sargent Harnett, The Calgary Police Service and the community in general, please accept our deepest sympathy from the whole staff and Board of the MCC and all members of The Muslim community.

Sincerely,
